KEVIN’S WORD

October 2013

“So Jesus was saying to those Jews who had believed Him, “If you continue in My word, then you are truly disciples of Mine; and you will know the truth, and the truth will make you free.”

John 8:31-32

We’ve had another month of exciting changes here at The Word Network. Along with a few improvements, we’ve added a new state-of-the-art production truck that will keep The Word broadcasting around the world. We’ve also added a new satellite truck that will allow us to broadcast from around the country and Christian events. The Word welcomed several guests to our studio this month, including Bishop Couzins and Dr. Gaddy who presented a new bible that will allow Christians to read scriptures in a whole new way.

I’m excited to see what God is doing with The Word Network and want to thank each of you for your prayers and support, as we continue to grow and reach the world with the gospel!

Each week The Word handles hundreds of calls and letters from viewers around the world. Many contact us to order love gifts, ask for prayer requests, and give praise reports. Here are a few examples of the many lives that have been changed by watching THE WORD NETWORK.

Sarah was diagnosed with cancer in 2012 but is now cancer free! She wants to Thank Bishop Bloomer for his prayers and wants him to keep up his “Moon Walk”!

Deborah called the prayer hotline asking for prayer over her son’s life. She later found out that while she was asking for prayer, her son was hit in the head with a bat but was doing fine. She thanked The Word Network for prayer that (she believes) saved her son.

Breneida went on vacation and woke up three weeks later with a brain hemorrhage. She was supposed to be dead. God healed her in July 2013. God can now walk, talk. Many were praying for her healing and God answered.
